Testimonials

Blossom Hi Spec & Easymix

Why do you use Blossom Hi Spec and Easymix?

“ Initially, we used it for its price. Now, we also use it for ease of use and its ability to mix easily in cold water - helpful for rearing over 700 calves per year.

✓ Results

Resulted in healthy calves that are achieving weaning size and weight quickly. We transition calves over 3 – 4 days from whole milk out of the vat to Blossom. Using Blossom provides independence from the milking system, especially when calves are reared off farm.
